Dear Current/Past or Potential Business Partner:

Many of you are probably aware that I retired as Gwinnett County Tax Commissioner effective April 30, 2011. As Charter President of TCTECH, it was only natural that I wanted to stay involved with such a dynamic and exceptional association. Effective May 1, 2011 I was appointed Executive Director of TCTECH by the Board of Directors. I look forward to working with each of you.

So on behalf of the Board of Directors, I would like to cordially invite you to our 13th annual conference being held at the King and Prince Beach & Golf Resort on St. Simons Island, Georgia August 15<sup>th</sup> – 18<sup>th</sup>, 2011. An exciting conference is planned again this year with special presentations and guest speakers. As always, Tax Commissioners look forward to networking with our Business Partners to view products/services and network with our Partners! Sharing problems and solutions are key components to our organization and the success of our offices - our Business Partners play a huge role in our success.

The TCTECH Board received many positive comments about the business partner and conference structure last year. The Business Partner annual membership dues are \$500. In order to participate in the conference, membership dues must be current. If you haven't sent in your dues, please send those to Doris Davis at the address below. Additionally, the conference registration fee for Business Partners will be \$250 per attendee, which includes entry into all events, including planned meals and breaks. Conference registration forms are posted on our website ([click here](#)). Once again the exhibition space will be strategically located outside the meeting area. Tax Commissioners and staff are highly encouraged to meet and network with Business Partners during breaks and lunches.

Sponsorship opportunities for many of our events are posted on our website ([sponsorships](#)). We appreciate your financial support of our annual conference and your name will be prominently displayed at the sponsored event. Sponsorships are available on a first come basis so if you are interested please contact me at [kmeyer211@gmail.com](mailto:kmeyer211@gmail.com)
